Separate permits are required for electrical, plumbing, heating, ventilation, or air conditioning. This permit becomes null and void if construction of work is not commenced within six (6) months or if construction of work is suspended or abandoned for a period.

I hereby certify I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be completed whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any other state or local law regulation construction or the performance of construction.
